

### Third Academy's 13<sup>th</sup> Annual Fundraising Gala

**Of all the wonderful causes that you are asked to support, please take a moment to consider a donation to the Third Academy.**

The Third Academy is fully accredited by Alberta Learning as a Designated Special Education private school dedicated to students with mild to severe learning disorders.

We offer assistance to students who have average to above average intelligence, but simply fail to achieve their true potential in the conventional education system. Since we have opened our doors in Calgary in September 1997, we have successfully helped more than one thousand students. The school has now two campuses in Calgary, one in Red Deer and is servicing students in grades 1 to 12.

The **Third Academy** is honoured to present the **Royal Ascot Garden Gala**, the school's 13<sup>th</sup> Annual Fundraising, on **Saturday, April 17, 2010** at the Deerfoot Inn and Casino , Calgary, starting at 5 pm..

**Please offer your support by attending, sponsoring and/or donations to the Third Academy's Gala.**

The Gala evening will include a sit-down dinner, live auction, dance and entertainment. The funds from this year's Gala will be used to support all the Calgary Third Academy students and will provide additional learning opportunities to lower-income children through our Gift of Literacy bursary program.

All donations are tax deductible. Businesses and individuals who donate to our event will be listed on the school website ([www.thirdacademy.com](http://www.thirdacademy.com)). Sponsors' donations will be acknowledged on the Friends of the Academy wall of fame in both Calgary campuses. A Gala catalogue will also be provided the evening of the auction that will list your business and donation.

You will see how we have grown from our humble beginnings to offering hope to many families through our specialized program at The Third Academy and our complete commitment to the education of children with special and very diverse learning needs.

The Third Academy cannot express how grateful we are for your anticipated participation, donation and support.

**EVERY CHILD WITH LEARNING DISABILITIES CAN LEARN!**  
**No child with Learning Disabilities is left behind at the Third Academy.**  
**Together , with your help, we make the difference!**

Sincerely Yours,
